Subject: AAAS - AAAS News Release - "Proposed Pebble Mine Has Alaskan Community Focused on Critical Science and Policy Issues"
Attachments: winmail.dat; message_body.rtf; 2011_aaas_abstracts_1.3.pdf

http://www.aaas.org/news/releases/2011/1018arctic_div_pebble.shtml

Good coverage on the Pebble issue by the AAA Arctic Science Conference writer.... The conference was in September 2011 in Dillingham. Also attaching the presentation abstracts in case of interest and because several pertained to large-scale mineral development. There's been some discussion about posting the actual power point presentations on a website but I don't believe this has happened yet.
